**TRACK:** Track season continues to be a battle with the elements. Today's practice will be an indoor/outdoor one held at Crown of Life from 3:30 – 5:00. Tomorrow, the track athletes will be at St. Croix for practice. Transportation to St. Croix will be provided for the Crown of Life athletes via a St. Croix bus. The students should bring all their school bags and any other items with them as they leave since they will not be returning to COL but instead should be picked up at St. Croix. Tomorrow is also St. Croix's spring sports picture day. Pictures will be taken indoors. The athletes are to wear a black undershirt and black shorts. Jersey tops will be handed out at the end of practice today. Crown of Life athletes will be involved in the team track picture, but will not be taking individual pictures and are next expected to place an order. We will have our own Crown of Life spring sports picture day next Tuesday (April 17) in which you can order team and individual pictures of your child. Order forms will be sent home this Friday.

**BOWLING:** The COL bowling team competed in their first bowling meet of the season last Friday. Updates will be provided after the head coach checks game scores and standings. # Mia

**Minneapolis Institute of Art**  
2400 Third Avenue South  
Minneapolis, MN 55404

This event is for all ages. Activities are inspired by the childrens' book *Imogene's Antlers* by David Small.\* This classic story is about a girl who wakes up one morning to discover she has grown antlers during the night!

Avoid playground mud and have fun at Mia. Join actor-storytellers as they tell the tale of Imogene with costumes, props, and a backdrop. Make wearable antlers at the craft table. Only your imagination will limit the originality of your antler design, made using fresh flowers, pipe cleaners, and more. Create colorful chalk art on the sidewalk leading to the Target Wing (weather permitting). Select a springtime design for face paint. Munch on a free snack.

Art in Bloom 2018, April 26-29, is an annual spring extravaganza of the finest art, flowers, fashion, tours, speakers, and workshops. These four fun-filled days are presented by the Friends of the Institute.
