

CROWN OF LIFE

Whole Bible in Three Years (2022-2024)

We're stretching things out with our next plan, reading the whole Bible in three years. The Bible's 150 psalms are spread out over all the Saturdays, except for the final weeks in year 3 where we play a little catch up.

Readings range from 1-2 chapters per day with a few exceptions (e.g. genealogies or other "skim-through" lists). One new feature: we've made an effort to have chapter 1 of each book stand alone. This allows the reader to spend a little time exploring introductory information at the start of a new book, which can help a lot with understanding the overall message of that book!

Practical Stuff:

- It helps to find the same time each day to read.
- Invite a friend to follow the plan for some accountability.
- If you get behind, just pick up on the current day.
- Read prayerfully, asking the Holy Spirit to help to understand, enjoy and apply his Word.

"Let the word of Christ dwell in you richly!"
